

CISV MOSAIC REPORT FOR 2016-17

OPEN HOUSE/ BRAINSTORMING (OCTOBER)

- ▶ **Doris Allen's birthday program with Open house to let them understand about the CISV activities and Mosaic program. JB presents "War and CISV founder" a short skit without languages. It made a great impact toward participants of Open House.**
- ▶ **Delegations of Village, Youth Meeting and Step Up showed the presentation of each camp and open each booth. At the same time, Mosaic project in 2015-2016 showed the presentation report toward CISVers and other people.**
- ▶ **Mosaic project team 2016-2017 explained about the next Mosaic project with past campers. Then, they altogether brainstorm for Mosaic Project in 2016-2017.**

CHRISTMAS PARTY + PLAN MEETINGS

- ▶ **We had Plan Meeting 1 in November and another Plan Meeting 2 in the following month.**
- ▶ **Past campers invited children from different races. And Mosaic project team facilitate planned to visit an orphanage that has orphans from different races with a theme called, Overcoming Boundaries, to understand the difference to focus conflict and resolution, human rights, diversity, sustainable development.**

PLAN MEETING 3 IN MARCH

We planned to visit the Orphanage in March , but we postponed to May as our Partner Organization, Khayay School, faced some emergency problems. However, they managed to do activities for a day camp at the orphanage in May.

PREPARATION DAY AND TRIP FOR DAY CAMP

- ▶ **As we had a long holiday in April, we made a preparation day in May for a day camp at the orphanage.**
- ▶ **On the 27th and 28th of March, we visited the orphanage with Past Campers and new children we gained from the open day together.**
- ▶ **The orphanage situation has changed; new orphans came due to civil war and old orphans left to start their new life independently going to universities.**
- ▶ **We had some difficulties due to language barrier, as the new orphans only know their race's language but not the common language, Burmese, which we use. But we overcome it and as we did CISV activities which were so helpful to make friends.**
- ▶ **We will inspire orphanages through CISV activities to live together peacefully with other races.**

A DAY CAMP

- ▶ **We arrived at the orphanage around 4 in the afternoon and we started the camp with the CISV song. Later on, we did some CISV activities and energizers. Some were shy to join at first, but later they were so happy being part of it. This program was until 6 pm. After dinner, we made a few activities, common session and lullaby.**
- ▶ **Next morning, they woke up about 5 in the morning. So we started our activities from 6:30 am until 9:30 am. Orphans became really friendly after they participated and enjoyed the activities. After CISV song, we left around 10:00 am.**
- ▶ **We visited the World heritage, Pyay Kingdom.**
- ▶ **Later on the bus we evaluated the trip.**
- ▶ **Finally, we evaluated the Mosaic program in June.**

EVALUATION/CONCLUSION

- ▶ **Orphans got the unique opportunity to start trust relationship with deferent races.**
- ▶ **Orphans have started to make a friend without using their own languages.**
- ▶ **Participants, JB got the confidence and reach the gaol of the significance of Mosaic program.**
- ▶ **Participants, new members started to be interested in CISV approach to the society.**
- ▶ **Founder of orphanage is interested in having a long term program, because orphans will be expected to be a leader of CISV activities continuously at the orphanage.**
- ▶ **JB and Leaders and teachers of partner organization made the great Mosaic program to understand CISV much more and inspire their surrounding and orphanage .**
