

# TTT FOR APJB 2017 REPORT

26-29 MAY 2017

KEMANG

JAKARTA, INDONESIA

# EVENT SUMMARY

- **TTT in Asia Pacific has always been held during APRW/JASPARC. This means Asia Pacific Junior Branch have to choose to attend either TTT or JASPARC. This conjunction is not optimal for development of JB leadership because official training, tailored for CISV trainers is crucial for quality delivery of training sessions, particularly for Junior Branch in Asia Pacific**
- **In this event, the APJB Team invited JB leaders from all around Asia Pacific to come for a 4-days training in Jakarta to make sure that these JB leaders are certified and qualified to train their fellow JB-ers in their national area.**
- **By doing this, JB leaders who attended this TTT for APJB are expected to come back to their own country more qualified and ready to train and deliver educational content to their local JB in a CISV-certified way.**

# INTENDED TARGET GROUP AND OTHER OUTCOMES AND BENEFITS FOR THE REGION

- **Active JB leaders in Asia Pacific (e.g. NJRs)**
- **Quality assurance for JB leadership in Asia Pacific**
- **Opportunity to be more engaged and more motivated to train fellow JB-ers in the best, CISV way.**
